

COURSE DESCRIPTION 2016-2017

Course: Understanding Obsessive Compulsive Disorder (OCD)	Awarding body: N/A
Tutor: Katie Easey	Course length: 1 day

Course summary/aims:	This one day course will look at the typical signs and symptoms associated with Obsessive Compulsive Disorder (OCD), its possible causes and potential therapies/ management. All those interested are encouraged to come along; no prior knowledge is necessary.
Course objectives:	<ol style="list-style-type: none"> 1. Describe defining features of OCD 2. Outline how having OCD might impact on a person's life and on the lives of those around them 3. Outline possible causes of OCD 4. Outlines possible treatments and care associated with OCD 5. Discuss how the media plays a role in the representation of OCD.
Course content:	In addition to the summary above we will cover the wider impact of OCD, on a person from a physical, social and emotional perspective, and also the impact on those closest to them. We shall also examine whether media representation has had a positive or negative impact on the understanding of OCD.
Teaching and learning methods:	Tutor input and whole group discussion.
Course level/entry requirements:	No formal entry requirements- just an interest in the subject.
How progress is checked during course:	Informally through tutor discussion and question/ answer.

Extra study or practice required at home?	NA
Formal course accreditation? If yes, how is the course assessed?	NA
Materials you will need to bring to the course:	Pen and paper
What can I do next?	Other courses such as understanding PTSD, Understanding ADHD; Certificate in Understanding Autism: exploration of progression onto other provision such as Access to Higher Education.
